Dear Bishop Sedgwick,

I am glad to be able to give you the news ~~that~~ that the Society has allotted the sum of £1000 out of its Harriott Fund, to be at the disposal of the Bishop of Waiapu in connection with the replacing of churches wiped out by the earthquake. There are certain conditions governing the trust; the money cannot be used for repairs, only for complete rebuilding. But I imagine that the Bishop will unfortunately find it only too easy to select cases to which the grant is applicable.

May I offer cordial good wishes to you in your new sphere of work?

Yours sincerely,
